

Sacrament Prep Registration

Year 2

School Year: August, 2023 through May, 2024

Sacrament Preparation for First Communion is a two-year process that starts no earlier than 1st grade. Students must complete a year of faith formation, either at Bishop Larkin (or other Catholic school) or at St. Thomas Aquinas K-5 Faith Formation (or other Catholic parish), before beginning the second year of sacrament preparation. For example: If a student completes their first year of sacrament prep in the 4th grade, then they would begin the second year of sacrament prep in the 5th grade. First grade is the earliest a student can complete Year 1 of First Communion sacrament preparation.

First Communion Sacrament Prep

School Year: August, 2023 through May, 2024

Sacrament Preparation for First Communion is a two-year process that starts no earlier than 1st grade. Students must complete a year of faith formation, either at Bishop Larkin (or other Catholic school) or at St. Thomas Aquinas K-5 Faith Formation (or other Catholic parish), before beginning the second year of sacrament preparation. For example: If a student completes their first year of sacrament prep in the 4th grade, then they would begin the second year of sacrament prep in the 5th grade. First grade is the earliest a student can complete Year 1 of First Communion sacrament preparation.

Year 1: To make sure your child is well-grounded in the basics of the faith, a year of formation is required before getting into the specifics of receiving Our Lord in the Eucharist.

Year 2: In addition to what they learn in K-5 Faith Formation or at their Catholic school, students in Year 2 participate in six more intensive/comprehensive sessions to prepare for First Reconciliation and First Communion. Two of these sessions, one each semester, include parents. All 6 are mandatory. In the event, however, that your child misses a session, make-ups can be scheduled.

Semester 2 ~ First Communion
